To Whom It May Concern:

On 2-2-2004 I mailed two patent applications and paid the fee for each – Check #2099 - \$385.00 dated 1-16-2004, for the Universal Permanent Adhesive support and ~~Check #2100 - \$385.00 dated 1-16-2004 for the self-adhesive, prefolded flams, or pre-folded extra wide flanges with tacks on the end.~~

I also included an air baffle which I think should have been two more applications.

Enclosed are the two separate air baffles and their separate applications, along with the other two applications with more US patent reference patent #'s with more detail.

*enclosed in check # 2114 for \$770 - the extra fee. Check # 2116  
I see per Check 2-10-04 DSK*

If you have any questions, please feel free to call, fax or write to me at any time.

Thank you,
